Students' Feedback & Theatre Workshops

"Enna's commitment to performance is profound and all-encompassing. She devotes her energy, time, wisdom, and creativity to her career, embodying a rare combination of passion and authenticity. Her presence on stage is nothing short of magnetic, captivating not only audiences but also students and even casual observers. This is a testament to her deep faith in the transformative power of performance, which she believes transcends mere technical skill or appearance." (Zhang Z.)

"Enna uses her understanding of performance to uplift others, boosting their confidence and encouraging them to approach even mundane tasks with a sense of purpose. She has a gift for inspiring those around her, leaving a lasting impact akin to that of a mentor or spiritual guide." (Gert M)

"I first knew her as the Stage Manager and Acting Coach of the three- hour play, The Grapes of Wrath, which was a charity performance. All the actors and actresses were amateurs and from different countries and backgrounds. Despite all kinds of difficulties, she managed to present this show within a week and surprisingly, it was a great success." (Lili W)
